

SMALL ENGINE**FOUR STROKE
LAWN MOWER
AND STATIONARY
ENGINE OIL**

Four Stroke Gardening
Implement and Stationary
Engine Oil.

PRODUCT CODE

2699

PACK SIZES

4L, 1L

DESCRIPTION

High performance, monograde engine oil intended primarily for the lubrication of gasoline engines requiring API SJ performance lubricants, and suitable for small diesel engines where API CF performance is specified.

APPLICATIONS

- Stationary gasoline engines (four-stroke, air- and water-cooled).
- Lawn mowers.
- Small four-stroke gasoline powered generator sets.
- Other portable power equipment.
- Small stationary diesel engines.

BENEFITS**Prolongs engine life**

High efficiency dispersant combination plus proven metallo-organic anti-wear additive system provides excellent protection against wear of critically loaded components under all operating conditions. Exceptional oxidation stability protects against the formation of gums and varnish at elevated temperatures.

Preserves full power and performance

Outstanding metallic detergent additive system preserves full power and performance by providing excellent upper-ring-belt deposit control under high temperature conditions.

PERFORMANCE STANDARDS

- SAE 30
- API SJ/CF
- Briggs & Stratton SE, SF, SG SAE 30
